FOR OFFICE & HOME

GD12

Universal LCD/TFT monitor desk mounted arm (14-22")

GD12 is a single LCD/TFT monitor desk mount. It enables its users to get their monitor to the desired position.

A quick and easy installation is provided by a desk clamp. The desk mount is VESA standard compliant with VESA® FDMI™ standard 75x75mm and 100x100mm*. It enables pivot, swivel and tilt of monitor. The pivot feature enables 360 degrees rotation for landscape or portrait viewing.

It is perfect for workplaces where there many users share same computers:

- Libraries
- Schools
- Offices

*The optional component GDA1 provides a 200x100mm mounting interface.
